

SevenCs is one of the leading technologies and software companies for maritime cartography and navigation solutions based in Hamburg. In addition to the development of nautical software products, our range of services includes consulting and training as well as comprehensive software support. As a member of the ChartWorld Group, we are also represented internationally with more than 150 employees at locations in Hamburg, Limassol, Vancouver, Singapore, and Tokyo.

We intend to strengthen our product management team in **Hamburg** and are looking for a

Technical Product Manager (m/f/d) for Maritime Spatial Data solutions (data production, management, validation)

Your tasks:

- Identify customer needs and industry requirements
- Watch technical trends in industry, conduct regular market and competitors' analysis
- Responsible for all technical aspects of software solutions
- Definition of technical specifications (e.g., user stories, use cases)
- Monitoring of software implementation and development plans
- Advise the company's technical support team
- Provide guidance for software documentation and input for marketing team
- Plan, prepare, and conduct customer trainings
- Monitor relevant IHO standardization processes
- Represent the company in international meetings, workshops, etc.

Your profile:

- Strong technical background in Chart Production, GIS, Hydrography, or similar
- Team player, persuasion skills, enthusiasm towards fields of responsibility
- Ability to work autonomously and self-reliant
- Good English language skills spoken and in writing

Our Offer:

We offer flexible working hours, a modern office in one of the most attractive locations of the city and innovative "Work From Home" concepts. Become part of a highly motivated team in an international environment that promotes wealth of ideas and reward initiative and dedication.

If you are searching for a company that is dedicated to your ideas and individual growth, recognizes you for your unique contributions, fills you with a strong sense of purpose, and provides a fun, flexible and inclusive work environment – apply now.

Please send your application including your CV, earliest start date and salary expectation to:
